

TEMPORARY OFFICE ACCESS

During the next few months during the first stages of the High Point Stadium Construction all or portions of Gatewood Avenue in front of our offices will be closed for underground utility work. While this work is underway, we have constructed a new access point into our office parking lot via Pine Street (See Arrow Above). If you are coming to our office during that period, please follow the following: (Signage will be provided)

- From ELM STREET or MAIN STREET: Use WESTWOOD AVENUE. Turn LEFT on PINE STREET. Go 3/4 Block to new Driveway.
- From LINDSAY STREET: Continue to use GATEWOOD, but Turn LEFT on PINE STREET to access the new Driveway

WE ARE SORRY FOR ANY INCONVIENCE
